## ***"Coming To Light"*** ***An Intimate Art & Writing Academy***

July 28-August 1, 2008  
 9 am - 3 pm

Artist Lynne Farrow, writer Sharron Luft, and master artist Lee Hodges would like to invite you to join us for an exciting time of writing and art making. While there will be a strong emphasis on poetry and writing each morning and afternoon, we will spend the week learning Lee's acrylic collage process that involves creating painted and stamped collage papers, exploring different stamp making and embossing techniques, experimenting with CDs as an art form, and experiencing the magic of photo transfers. Each day's art making will build on the prior day's activity so that at week's end each person will have completed at least one 11 x 14 acrylic collage.

This intimate week-long academy is limited to ten participants.

Cost - \$225

Most art supplies are included in academy fee!

Your space is reserved when your registration form is received  
 with full payment or a deposit of \$100.
